

SUBMITTAL TO THE BOARD OF SUPERVISORS  
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

SUBJECT: Resolution 413-592 to Establish No-Stopping Zones and Restricted Parking Zones on Mission Boulevard, Glen Avon area

RECOMMENDED MOTION: That the Board adopt Resolution 413-592 to establish No-Stopping Zones and No-Parking of Vehicles Over Six Feet in Height Zones on Mission Boulevard in the Glen Avon area.

BACKGROUND: The Transportation Department was contacted by Supervisor Tavaglione's office regarding sight restriction caused by large vehicles parking in front of the Sheriff's Station on Mission Boulevard. To minimize the impact of on-street parking for the Sheriff's Station, especially when community meetings are held at the station, yet improve the sight distance restrictions, it was determined that vehicles over six feet high should be restricted from parking between the driveways of the Sheriff's Station, and no-stopping zones be established immediately adjacent to the driveways. This would allow vehicles less than six feet in height to continue to have sufficient on-street parking.

Transportation Department staff reviewed this location in the field and determined that the proposed No-Stopping Zones and Restricted Parking Zones are appropriate.

Based on this review, the Transportation Department recommends approval of these No-Stopping Zones and No-Parking of Vehicles Over Six Feet in Height Zones. The Transportation Department staff has contacted the Riverside Area office of the California Highway Patrol regarding the proposed zones.

County Counsel has approved this resolution.
