**FLOOD CONTROL AND WATER CONSERVATION DISTRICT BOARD SUBMITTAL
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

SUBJECT: Confirmation of FY 2004-2005 Benefit Assessment
for the Elsinore Valley Area of Zone 3

SUBMITTAL DATE: July 26, 2005
Page 2

BACKGROUND:

In 1983, the District's Act was amended to permit the Board of Supervisors to levy a benefit assessment pursuant to the Benefit Assessment Act of 1982, Chapter 6.4 of Part 1 of Division 2 of Title 5 of the Government Code, to pay the principal of and interest on bonds issued to finance any work or improvement (as authorized in the Act), if the issuance of bonds is approved at the same election at which the levying of the benefit assessment was approved.

In a special election held on November 4, 1986, the voters in the Elsinore Valley area of the District's Zone 3 approved the Benefit Assessment Program for Elsinore Valley (Zone 3), providing for the levy and collection of an annual assessment on each parcel of land within the area, to pay the debt service on bonds to be issued to fund construction of priority Elsinore Valley flood control projects. On February 17, 1993, a total of \$5,715,000.00 of bonds were sold to finance these projects.

The Benefit Assessment Program provides for the Chief Engineer to submit an annual program status report and that the Board, upon acceptance of the report, shall instruct the Clerk of the Board to set a time and place for a public hearing to hear and consider all protests.

At the conclusion of the hearing, the Board may adopt, revise, change, reduce or modify any assessment and shall make its determination upon each assessment described in the report. Thereafter, by Resolution, the Board shall confirm the assessments.
