SUBJECT: SB 621 Indian Gaming Impact Mitigation Grant Award

RECOMMENDED MOTION: That the Board of Supervisors accept the Riverside County Indian Gaming Local Community Benefit Committee (CBC) recommendation for a grant award and authorize the Chairman of the Board to execute the attached Memorandum of Understanding on behalf of the department.

BACKGROUND: On October 11, 2003, Governor Davis approved Senate Bill 621 (Battin and Burton), which established a method for distributing Indian Gaming Special Distribution Funds (SDF) to local government agencies impacted by tribal gaming. On December 2, 2003, agenda item 3.4, your Board established the Indian Gaming Local Community Benefit Committee (CBC), which is responsible for establishing all policies and procedures for local grant applications and the funding award process. Local government agencies impacted by tribal casinos made application, with tribal sponsorship, to the CBC for grant funding from Individual Tribal Casino Accounts (ITCA). The first priorities for receipt of grant funds include: law enforcement, fire services, emergency medical services, environmental impacts, water supplies, waste disposal, behavioral health, planning and adjacent land uses, public health, roads, recreation/youth programs, and child care programs. State-wide, the amount of funding available for allocation in fiscal year 2004/05 was \$30 million. On June 27, 2005 the CBC made their recommendations for distribution of approximately \$12.5 million (Riverside County's share), in mitigation grants. TLMA Planning was awarded \$50,000 to set up a training program to address Archaeological issues.
