**SUBJECT:** Eighth Amendment to the agreement between Cyber-Pro, Inc. dba Medical Data Exchange (MDX) and Riverside County Regional Medical Center.

**Page 2**

**BACKGROUND (Continued):** Additionally, Riverside County Regional Medical Center currently receives electronic data from the State Med-Cal program, and effective October 16, 2003, was required by Federal mandate to do electronic remittance processing in accordance with HIPAA EDI standardized file transmission format.

This amendment is to extend the period of performance for the current Medi-Cal/Medicare electronic claims processing while County Purchasing and RCRMC conduct a formal request for proposal to research the market again.

**PRICE REASONABLENESS:** MDX certifies that prices offered are equal to the lowest offered to any other of the more than 200 MDX customers in California for any MDX service or system which RCRMC contracts with MDX for.
