

**SUBMITTAL TO THE BOARD OF SUPERVISORS  
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

595

**FROM:** Waste Management Department

**SUBMITTAL DATE:**  
August 2, 2005

**SUBJECT:** The Construction of the Lamb Canyon Landfill Gas Header Extension-South Phase 2 – Change Order No 1.

**RECOMMENDED MOTION:** That the Board of Supervisors:

1. Approve Change Order No. 1 to the contract for the Construction of the Lamb Canyon Landfill Gas Header Extension-South Phase 2; and
2. Authorize the Chairman of the Board to execute Change Order No. 1.

**BACKGROUND:** On February 28, 2005, Purchasing & Material Services advertised this project. Three bids were received ranging from \$56,214 to \$63,989. The project was awarded to Electro-Mechanical Corporation for \$56,214. Due to changes in site conditions, additional work was required that increased the cost to \$72,073.

Waste Management Department (WMD) determined that this additional work had to be completed before Board approval to keep limited current landfilling areas accessible to customers until the new lined portion of the landfill was completed. WMD staff also determined that there would be additional cost if the contractor had to stop work, de-mobilize and then come back to re-mobilize for the additional work. WMD engineering staff has evaluated the additional work and determined that the total cost is competitive and reasonable.

Budget for this extra work will be provided from Fund 40200, Department ID - 4500100000.
