BACKGROUND: (Continued)

As the payer of last resort, the Ryan White CARE Act is invaluable in filling the gaps in health care for people living with HIV/AIDS. The CARE Act has enabled people living with HIV/AIDS to live longer through the provision of a safety net of HIV care services, including medical and dental care and provisions for HIV medications. These funds will be used to continue HIV medical, dental, and pharmacy services at the Riverside Neighborhood Health Clinic and Riverside County Regional Medical Center.

The Riverside County Board of Supervisors approved Amendments A-1 and A-2 to the Agreement with the County of San Bernardino on May 3, 2005, Item 3.5 for the performance period of March, 1 2004 through February 28, 2005 in the amount of \$101,954.

This Third Amendment to the Agreement allows for an adjustment to Section V. Fiscal Provisions, increasing funds from \$101,954 to \$321,655 for F/Y 05/06 and extends the performance period from March 1, 2005 through February 28, 2006.

JUSTIFICATION FOR DELAY: The Community Health Agency, Department of Public Health received this Amendment from San Bernardino County on May 23, 2005. This Form 11 and attachments were subsequently submitted through the County's approval process.
