Comments:

The Riverside County Library System is provided through LSSI under contract with the County. This software conforms to County Technology Standards approved by the Departmental Technology Standards Committee. The system is hosted in the main computer room on the 10th Floor of the CAC, and RCIT provides day-to-day operational support. The data communications network connecting the host server to the remote contract sites is provided by Riverside County Information Technology (RCIT).

CIO RECOMMENDATION:

We concur with this agreement.
