SUBJECT: Ratify FY 2005/2006 Managed Care Consolidation Agreement between the State Department of Mental Health and the Riverside County Department of Mental Health and approve Resolution 2005-402

RECOMMENDED MOTION: Move that the Board of Supervisors:

- 1) Ratify the FY 05/06 Medi-Cal Managed Care Agreement with the State Department of Mental Health; and,
- 2) Approve Resolution 2005-402; authorizing the Chairman of the Board to execute the Agreement and Contract Certification document.

BACKGROUND: On June 20, 2000, Agenda Item #3.40, the Board approved the FY 99/00 Medi-Cal Mental Health Consolidation Agreement with the State Department of Mental Health. The State's Medi-Cal Mental Health Plan is to systematically consolidate Short/Doyle (S/D) and Fee for Service (FFS) Medi-Cal mental health services to create an integrated Medi-Cal Managed Care Mental Health system operated at the County level. S/D Medi-Cal targets consumers who are seriously and persistently mentally ill, while FFS consumers traditionally require a lower frequency of services and lower intensity of care.

SUBJECT: Ratify FY 2005/2006 Managed Care Consolidation Agreement between the State Department of Mental Health and the Riverside County Department of Mental Health

BACKGROUND (CONT'D.):

The consolidations of the State's Medi-Cal Mental Health Plan's Short/Doyle and Fee for Service programs were implemented under two phases.

Phase I, Inpatient Consolidation, implemented in January 1995, gave responsibility to the Department for authorization and payment of the State Medi-Cal match for all medically necessary acute psychiatric inpatient services for Riverside County Medi-Cal beneficiaries.

Phase II, Specialty Mental Health Consolidation, implemented on November 1, 1997, gave the Department responsibility for the following:

1. Medi-Cal authorization and payment of the State/local Medi-Cal match for all medically necessary Specialty Mental Health Services for Riverside County Medi-Cal beneficiaries under the shared risk model.
2. Submit Medi-Cal claims directly to the State Department of Mental Health for services provided by mental health professionals such as psychiatrist and psychologist.
3. Assure access to covered Specialty Mental Health services continue to be at least as good as before transferring responsibility to the County's Mental Health Plan.

This Managed Care Agreement covers both Inpatient Consolidation Services and Specialty Mental Health Services for Riverside County Medi-Cal beneficiaries.

The State Managed Care allocation is set annually on a formula basis as determined by the State Department of Mental Health, in consultation with a statewide organization representing counties pursuant to Section 5778 of the Welfare & Institutions Code. On May 25, 2004, item 3.21, the Board approved the 2004/05 Managed Care Agreement. Riverside County received notification on July 21 that the FY 05/06 allocation is \$8,270,554.

Approval of this agreement is necessary in order for Riverside County to receive this allocation for services provided in FY 2005/06. There are sufficient funds in the Department's budget. No County funds are required.
