widened to four lanes. The traffic signal at the intersection of Murrieta Road and Ridgemoor Road will improve safety at the intersection, reduce peak period intersection delay, and will provide necessary traffic and pedestrian control for traffic related to Ridgemoor Elementary School.

The construction of the traffic signal at La Sierra Avenue and Lake Knoll Parkway will be coordinated with the La Sierra Avenue roadway widening project, which is currently under construction.

The submitted plans and specifications have been approved as to form by County Counsel. Environmental clearance is complete. Traffic signal operation and maintenance costs are estimated at \$4,500 for each location, to be funded from gas tax.

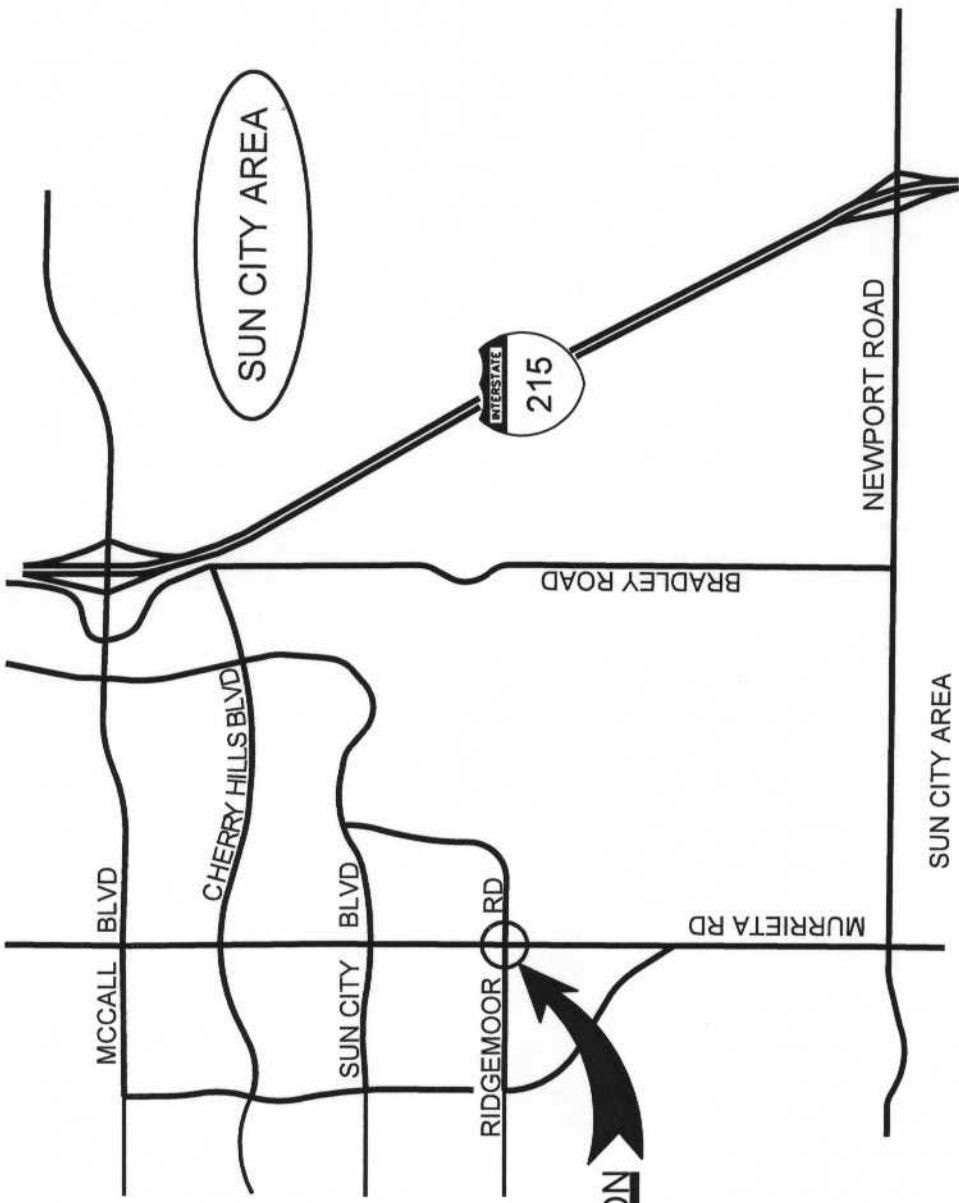

Project Nos. B5-0354 and B4-0524.
