SUBJECT: IN-HOME SUPPORTIVE SERVICES

PAGE: 2

BACKGROUND:

On January 27, 2005, County Purchasing and Fleet Services issued on its website Request for Proposal (RFP) No. PUARC548, seeking competitive proposals from qualified vendors to provide In-Home Supportive Services (IHSS) within and for the County of Riverside. IHSS is an alternative to out-of-home care designed pursuant to the California Department of Social Services manual of Policies and Procedures (MPP) Section 30-700. IHSS provides personal care and home supportive assistance to those eligible aged, blind and disabled individuals who are unable to remain safely in their homes without this assistance.

After careful evaluation, it was determined that Addus HealthCare Inc. will be the designated IHSS provider for all of Riverside County

Addus HealthCare, Inc. has been providing in-home supportive services with the State and Municipal governments since 1975. Addus HealthCare, Inc. currently provides contractual home care, personal care, attendant care, care management, respite, transportation, chore/housekeeping, adult day care, licensed home health services and family support services, as well as private home health care to over 30,000 people annually. Addus HealthCare, Inc. was the awarded provider of IHSS for the County for the most recent bid cycle (2001-2005).

FINANCIAL IMPACT:

Sufficient funds have been appropriated in the FY 05/06 County budget.
