

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

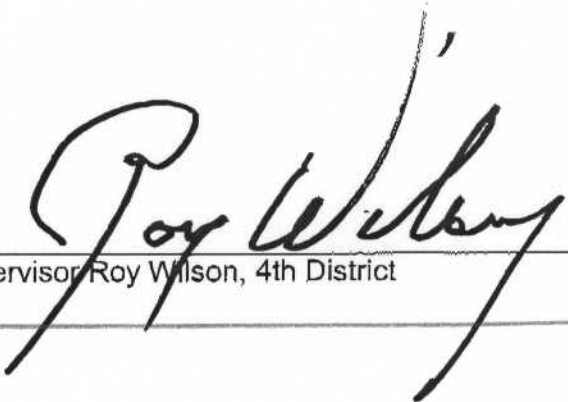

FROM: Supervisor Roy Wilson, Fourth District

SUBMITTAL DATE:
November 14, 2005

SUBJECT: Allocation of Development Mitigation Funds

RECOMMENDED MOTION: That the Board of Supervisors authorize the allocation of \$170,000 in 4th District Development Mitigation Funds to the Riverside County Fair and National Date Festival.

BACKGROUND: Prior to the 2006 National Date Festival, several improvement projects will commence, including the rehabilitation of the Administration Office, and the extension of utility lines into the former palm groves. The projects are vital to the fairgrounds operation. In order to insure that there is adequate funding for the projects, I am recommending the allocation of Fourth District Development Mitigation Funds to the Riverside County Fair and National Date Festival.
