

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: Supervisor Wilson and Supervisor Ashley

SUBMITTAL DATE:
December 6, 2005

SUBJECT: Approve in Concept the Construction of a Health Clinic in Desert Hot Springs.

RECOMMENDED MOTION: That the Board of Supervisors approve in concept the construction of a Health Clinic in Desert Hot Springs.

That the project be included in the Capital Improvement Program (CIP).

BACKGROUND: The Western Coachella Valley has recently undergone housing development and population growth of historic proportions. One of the important priorities for the Western Coachella Valley is the provision of medical services to the growing general population.

The Desert Hot Springs area has been underserved in the health care area for many years. We believe that the County has the opportunity to acquire the necessary land and arrange for a suitable full-service clinic to serve this rapidly developing region.

Board consideration and approval of this request is greatly appreciated.

Roy Wilson, Fourth District Supervisor

Marion Ashley, Fifth District Supervisor
