

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

801

FROM: TLMA

SUBMITTAL DATE:
December 6, 2005

SUBJECT: In-principle approval to seek leased space in the city of Riverside for the Transportation and Land Management Agency-Transportation Department.

RECOMMENDED MOTION: That the Board of Supervisors grant in-principle approval to the TLMA-Transportation Department to seek leased space in the City of Riverside for the Transportation Department.

BACKGROUND: The Transportation Department is responsible for the maintenance of County roads, traffic engineering, long range transportation planning, and the implementation of the roadway capital improvement program. In order to accommodate the current growth throughout the County of Riverside, the Transportation Department has been increasing its work force, thus outgrowing the space it currently occupies on the 8th floor of the County Administrative Center in Riverside. For the short term, the department is seeking in-principle approval for approximately 10,000 square feet of leased space to augment its space needs, while the department aggressively ramps up to deliver the County's vital capital improvement projects as prioritized in the Board-approved Transportation Improvement Plan.
