

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

815A

FROM: TLMA - Transportation Department

SUBMITTAL DATE:
November 28, 2005

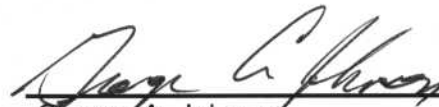

SUBJECT: Cooperative Agreement between Riverside County and the City of Blythe for roadway improvement services on the Hobsonway / Defrain Boulevard Grind and Overlay Project

RECOMMENDED MOTION:

That the Board approve the attached Cooperative Agreement between the County of Riverside and the City of Blythe, and authorize the Chairman to execute same.

BACKGROUND: The project includes grind and overlay improvements on Hobsonway and Defrain Boulevard located within the jurisdictional boundaries of both the County and the City. The City had a contractor in place to perform the work in the City and approached County staff with a proposal to build the County's half of the street at the same time in order to have a consistent finished roadway. Given the urgency of having the contractor already mobilized and working in the City, County staff authorized the work to be completed pending approval by the Board of Supervisors. County and City mutually agreed to designate City as the lead agency for the Project and the City provided the administrative, technical, managerial and support services necessary to develop and implement the Project. The City funded all costs for the Project, with the exception of the construction costs within the County's jurisdiction. The County agreed to fund the construction costs for the improvements located within the jurisdictional boundaries of the County, which represents approximately 40% of the total Project construction cost.

Departmental Concurrence

George A. Johnson
Director of Transportation
