**BACKGROUND:**

The first section of the attachment is the Agency's Annual Budget Report. While the Board of Supervisors adopted the Agency's budget earlier this year as part of the County's budget, Section 33606 of the California Community Redevelopment Law (the "CRL") requires that the Agency also adopt an annual budget that contains the Agency's proposed expenditures and indebtedness, anticipated revenues, a work program and an examination of achievements (see Section 1). The attached budget contains all of the information specified in the CRL and is consistent with the budget previously adopted by the Board of Supervisors. Staff recommends that the Board approve the attached Agency budget for Fiscal Year 2005-06.

Second, Section 33080.1 of the CRL requires the Agency to annually present to the Board of Directors an independent financial audit report for the previous fiscal year (see Section 2). The second action above is to receive and file the attached audit report from Teaman, Ramirez, and Smith, Inc., which includes the independent financial audit, an opinion on the financial statements, and the Agency's financial position. The report also contains tests of the Agency's compliance with certain provisions of laws, regulations, contracts, and grants that could have a direct and material effect on the determination of financial statement amounts. The results of the tests disclosed no instances of non-compliance that are required to be reported under Government Auditing Standards.

Third, the Agency is required to submit to the State Housing and Community (HCD) an annual housing report, in accordance with Sections 33080.4 and 33080.7 of the CRL, prior to the end of the calendar year (see Section 3). Upon Board approval, the Agency will forward the Audit and Housing Report to HCD in accordance with the CRL.

Finally, the Agency is required to submit to the State Controller's Office an annual report on all financial activities in redevelopment project areas, prior to the end of the calendar year (see Section 4). Staff recommends that the Board direct Agency staff to forward the report to the State Controller's Office with the authorization to amend the report prior to submission if needed.
