

**SUBMITTAL TO THE BOARD OF SUPERVISORS  
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

911

**FROM:** Bob Doyle, Sheriff-Coroner-PA

**SUBMITTAL DATE:**  
04/01/05

**SUBJECT:** One-Year Extension of an Agreement with Identix  
for the Maintenance of CAL-ID Live Scan Equipment

**RECOMMENDED MOTION:** Move that the Board of Supervisors authorize the County Purchasing Agent to execute a one-year extension of an agreement with Identix for the maintenance of the County's CAL-ID Live Scan fingerprint equipment, in the amount of \$145,665 without securing competitive bids, in accordance with Ordinance 459.4.

**BACKGROUND:** Since 1999, when CAL-ID began the migration to new technology to be compatible with the State's fingerprint program, Identix has provided equipment maintenance for those Live Scan devices it manufactured. Due to the proprietary Live Scan equipment and customized software, Identix is the only company that can offer such maintenance. On 5/21/02 (3.28), the Board recognized Identix as a sole source vendor for this maintenance service and awarded them a three-year contract that expires on 5/31/05.

**Price Reasonableness**

The pricing for this extension period with Identix utilizes the maintenance service prices obtained by the State through its Multiple Awards Schedule (C-MAS).

In response to a County CAL-ID analysis of actual service delivery over the past fiscal year, Identix agreed to reduce a number of fixed charges. By doing this, the annual maintenance cost has been reduced from \$206,133 to \$164,680 resulting in a cost savings for the County of \$41,453. In addition, Identix has also given CAL-ID a credit of \$19,015 for replaced equipment warranties, making the annual maintenance cost \$145,665. The full year's charges will be incurred this fiscal year for the Agreement period from 6/1/05 through 5/31/06.
