**BACKGROUND:** (Continued)

M.O. 3.23, dated December 20, 2005, approved plans and authorized the Clerk of the Board to advertise for bids. On January 26, 2006 the bid was opened with three vendors submitting bids. Of the three bids submitted, two were rejected. One bid was rejected for failure to submit the proper bid bond and the other for qualifying their bid by modifying the project's general conditions. The third vendor was over the project budget. Approval of this motion will authorize the re-bidding of the project.

The sites located at Edom Hill, Indio Hill, and Pine Cove when completed will provide enhanced communication and reliability to the areas served. These new sites will continue to support the current radio system as well as future regional systems and upgrades. Gerald Doak of GRD, Inc. was retained as the county's consultant to develop the contract documents for this project. At this time, the final project documents have been completed and the project is ready for re-bid. The previously approved total project budget will remain at \$4,000,000.

**Project Budget:**

Design	\$ 155,000.00
Construction	\$ 3,285,000.00
Admin/Project Mgmt/Inspections	\$ 196,350.00
Project Contingency	<u>\$ 363,650.00</u>
<b>TOTAL</b>	<b>\$ 4,000,000.00</b>
