Page 2 of 2

**BACKGROUND:** Adoption of Resolution No. 2006-097 appoints the Director of the Transportation Department as the Engineer to prepare a Report regarding the proposed annexation of Zone 62 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated ("L&LM District No. 89-1-C").

Resolution No. 2006-098 declares the Board's intention of ordering the annexation of Zone 62 to L&LM District No. 89-1-C. Annexation of Zone 62 to L&LMD No. 89-1-C will fund the maintenance and servicing of catch basin filtration system and equestrian trail improvements within public rights of way located northeasterly of Palomar St. in the Wildomar area and includes 115 single-family residential lots.

The proposed budget of fiscal year 2006-07 for Zone 62 is \$14,398.00 that will result in an assessment for fiscal year 2006-07 within Zone 62 of \$125.20 per parcel. The annual assessment will be adjusted annually by the greater of 2% or the cumulative percentage increase in the CPI-U, if any, as it stands as of March of each year over the base index for March of 2006.

Consistent with the Board's direction regarding compliance with Article XIID of the California Constitution and the Landscaping and Lighting Act of 1972, the attached resolutions have been prepared and a public hearing scheduled for 9:30 a.m. on June 6, 2006 to receive testimony for and against the proposed assessment. Each property owner within the proposed Zone 62 will receive a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2006-098 and an information sheet.

Ballots must be returned prior to the conclusion of the public hearing. If, at the time designated for the tabulation of the ballots, the ballots submitted in favor of the annexation and levy of the assessment exceed the ballots submitted in opposition of said annexation and levy, Zone 62 will be annexed to L&LMD No. 89-1-C.

19 collect an annual assessment on all assessable lots and parcels of property within Zone 62  
20 commencing with the fiscal year 2006-07 as set forth in the Report. The Report expressly states that  
21 there are no parcels or lots within Zone 62 that are owned by a federal, state or other local  
22 governmental agency that will benefit from the services to be financed by the annual assessments.  
23 The annual assessments will be collected at the same time and in the same manner as property taxes  
24 are collected, and all laws providing for the collection and enforcement of property taxes shall apply to  
25 the collection and enforcement of said assessments.
