RE: Construction of Sidewalk, Curb and Gutter, and Road Improvements on Conning Street from Mission Boulevard to Ben Nevis Boulevard, Glen Avon area

April 10, 2006

Page 2 of 2

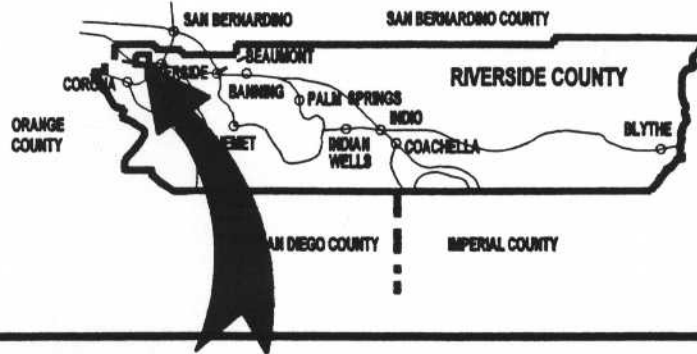

The construction of sidewalk and curb and gutter is needed to improve pedestrian access to Mission Bell Elementary School which is located on Conning Street between Mission Boulevard and Ben Nevis Boulevard. The pavement resurfacing is needed due to poor pavement conditions.

The relocation and adjustment of conflicting utilities owned by the Jurupa Community Services District (JCSD) is included in the bid package as an alternate bid schedule. If JCSD approves the award of the alternate bid schedule as bid by the apparent low bidder, the costs for the work will be funded by JCSD.

The submitted plans and specifications have been approved as to form by County Counsel. Environmental clearance is complete.
