

SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

433A

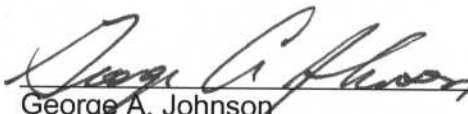

FROM: TLMA - Transportation Dept.

SUBMITTAL DATE:
April 10, 2006

SUBJECT: Construction of Traffic Signal and Lighting, Knabe Road at Claystone Avenue,
Temescal Canyon area and Newport Road at Menifee Lakes Drive, Menifee area

RECOMMENDED MOTION: That the Board of Supervisors approve the plans and specifications for the construction of traffic signal, lighting and associated improvements at the intersection of Knabe Road and Claystone Avenue in the Temescal Canyon area and at Newport Road and Menifee Lakes Drive in the Menifee area of Riverside County. Authorize the Clerk to advertise for bids to be received in the office of the Director of Transportation up to the hour of 2:00 pm, Wednesday, May 10, 2006, at which time bids will be opened.

BACKGROUND: The Transportation Improvement Program provides for the construction of the two referenced traffic signal projects. The traffic signals will be bid under two alternate bid schedules, which will allow the County of Riverside the option to award the construction contract for both traffic signals, or for only one of the two traffic signals, which provides the County with the most flexibility in the event of unreasonably high bids for either location.

George A. Johnson
Director of Transportation
