BACKGROUND: The City of Moreno Valley was approached by Derrel Thomas of the Moreno Valley Rockets regarding proposed improvements to Salas Field at Sunnymead Park in Moreno Valley. Moreno Valley Rockets as a member of the Collegiate Summer League and Western Baseball Association would like to use Salas Field for home games and potential host playoffs and other tournaments in Moreno Valley.

Mr. Terrel approached Supervisor Ashley and the City of Moreno Valley Parks and Recreation Department for the purpose of creating a collaborative partnership to jointly fund a fence improvement project at the Salas Baseball Field at Sunnymead Park. As part of the collaborative partnership, the City of Moreno Valley will contribute half of the total fence improvements funds and 5th District Community Improvement Designation funds will fund an equal sum. This action demonstrates a positive partnership between the City of Moreno Valley and the County of Riverside to enhance public facilities while maximizing the use of public funds.
