FROM: Waste Management Department/Environmental Health Department

SUBMITTAL DATE:

April 14, 2006

SUBJECT: Amendment to Ordinance No.769, Changing Parcel Fees on Land Located in Franchise Area 8 (Idyllwild and Anza/Pinyon) for the Collection of Solid Waste Generated From Residential Use.

RECOMMENDED MOTION: The Board of Supervisors:

1. Direct staff to provide a 45 day notice to residents in Franchise Area 8 of the public hearing for consideration of adopting an increase in the parcel charge for Residential Trash Collection Services;
2. Set a public hearing for June 13, 2006 for the amendment to the parcel charge as presented on Exhibit B-1 and B-2; and
3. Adopt the amendments following the public hearing on June 13, 2006 to be effective July 1, 2006.

BACKGROUND: On June 24, 1997, the Board adopted a program that restructured the waste collection, transfer and disposal system for the Mountain Area. The primary action was the adoption of a negotiated franchise to provide a residential and commercial waste collection system in the Mountain Area, which replaced the operation of the rural Anza Landfill and placed the operation of the Idyllwild and Pinyon facilities under contract with Waste Management of Inland Valley (WMIV). Dept's Recomm.: Consent Policy
 Per Exec. Ofc.: Consent Policy

Concurrent with the waste collection franchise for the Mountain area, the Board adopted Ordinance 769, which provided the legal basis for establishing the proposed residential waste collection parcel fees. These fees were established to cover the estimated costs of operating the residential collection centers in Franchise Area 8 (Idyllwild and Anza/Pinyon).

The last time the parcel fees were adjusted was July 1, 1999. At that time, the Board adopted a rate of \$106.58 per parcel. It has been seven years since the fees were changed. The original agreement limits the increase to the annual change in the Consumer Price Index (CPI) except in cases where extraordinary circumstances can be justified and supported. The period for the CPI calculation was amended for all the Area 8 to the 12 month period ending December 31. The change in CPI for the period ending December 31, 2005 is 4.5%.

In addition, WMIV has requested, and Environmental Health Department has concurred on an additional increase to the rate due to the extraordinary increase in fuel costs over the last year. Environmental Health staff reviewed WMIV's request revising the overall CPI of 4.5% to allow for the fuel increase and applied it to the costs of operations submitted by WMIV. The total change in parcel fees that is being requested is therefore 4.81%. That percentage will increase the parcel fees from \$106.58 to \$111.71.

WMIV has submitted information which has been reviewed by staff, reflecting the current increased costs of providing services in the area. The requested increase of \$5.13 per year or less than \$.43 a month is in keeping with the actual costs submitted.

A draft of the intended 45 day notice for Franchise Area 8 residents is attached as Exhibit A and provides a description of the proposed parcel fee increase. This document will be utilized (minor modifications as needed to reflect Board directives) to inform the public of the intended actions.

At the close of the public hearing, to be scheduled for June 13, 2006, staff recommends the adoption of the changes to Ordinance No.769 herein discussed to be effective July 1, 2006.

Dear Area 8 Assessment Residential Property Owner:

The Riverside County Board of Supervisors has scheduled a public hearing for June 13, 2006 in the Board Room at the County Administrative Center 4080 Lemon Street in the City of Riverside to consider a revision of the established parcel charges in the Idyllwild/Anza/Pinyon area. The actions proposed are intended to finance the continued high level of waste collection services to your community at reasonable cost while continuing to help minimize illegal dumping for the entire area. Implementation will require Community understanding and cooperation to implement the plan and we anticipate your support.

The plan calls for increasing the annual residential parcel fees from \$106.58 to \$111.71 typically paid in two half year increments. Parcels with multiple residential units will be charged \$111.71 per year for each unit up to a maximum of four units. If you require a separate 1.5cy bin at your residence, and your home is readily accessible to the collection trucks, supplemental service may be ordered directly from the hauler.

The basis for the fee increase stems from the fact that, for the annual period ending December 31, 2005, the LA/Orange/Riverside Consumer Price Index rose 4.5% and diesel fuel costs rose over 20%. Applying the changes in CPI ratably produced an increase in the per parcel collection rate of 4.81%.

As the listed owner of the residential parcel shown on the mailing label of this document, your residence is scheduled to be included in the service area boundary. You are invited to provide written comments/protests and/or attend the public hearing on the proposed parcel charges.

If you have questions that we might be able to answer, please call the Riverside County Waste Management Department office at (951) 486-3200. Written comments are to be directed to:
