inspected, operated and maintained by the District and City. The Agreement is necessary to formalize the transfer of necessary rights of way and to provide for District construction inspection of the referenced facilities associated with Parcel Map No. 32326.

Upon completion of construction, the District will assume ownership, operation and maintenance of the mainline storm drains. The City will assume ownership, operation and maintenance of the facilities' associated catch basins, connector pipes and laterals located within their rights of way. Additionally, the City will operate certain privately owned drainage facilities pursuant to an agreement between the City and Developer.

County Counsel has approved the Agreement as to legal form.

The Developer is funding all construction and construction inspection costs. Future operation and maintenance costs will accrue to the District.
