BACKGROUND: Adoption of Resolution No. 2006-162 appoints the Director of the Transportation Department as the Engineer to prepare a Report regarding the proposed annexation of Street Lighting Zone 52 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated ("L&LM District No. 89-1-C").

Resolution No. 2006-163 declares the Board's intention of ordering the annexation of Street Lighting Zone 52 to L&LM District No. 89-1-C. Annexation of Street Lighting Zone 52 to L&LMD No. 89-1-C will fund providing electricity for streetlights within public right-of-way located northerly and southerly of Watt Ct.; and easterly of Rio Del Sol Rd. in the Cathedral City area and includes 16 commercial parcels totaling 8.75 acres.

The proposed budget for fiscal year 2006-07 for Street Lighting Zone 52 is \$726.00 that will result in an assessment for fiscal year 2006-07 within Street Lighting Zone 52 of \$82.96 per acre. The annual assessment will be adjusted annually by the greater of 2% or the cumulative percentage increase in the CPI-U for "electricity", if any, as it stands as of March of each year over the base index for March of 2006.

Consistent with the Board's direction regarding compliance with Article XIID of the California Constitution and the Landscaping and Lighting Act of 1972, the attached resolutions have been prepared and a public hearing scheduled for 9:30 a.m. on July 11, 2006 to receive testimony for and against the proposed assessment. Each property owner within the proposed Street Lighting Zone 52 will receive a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2006-163 and an information sheet.

Ballots must be returned prior to the conclusion of the public hearing. If, at the time designated for the tabulation of the ballots, the ballots submitted in favor of the annexation and levy of the assessment exceed the ballots submitted in opposition of said annexation and levy, Street Lighting Zone 52 will be annexed to L&LM District No. 89-1-C.

There is only one individual/entity which owns all of the property within the proposed boundaries of Street Lighting Zone 52 and said property owner has executed a "Waiver and Consent Regarding Date of Assessment Ballot Election" allowing for the election and public hearing to be held on July 11, 2006.
