BACKGROUND:

of necessary rights of way and to provide for District construction inspection of the referenced facilities associated with Tract No. 30480. Upon completion of the facilities' construction, the District will assume ownership, operation and maintenance of the mainline storm drains. The County will assume ownership, operation and maintenance of the facilities' associated catch basins, connector pipes and laterals. County Counsel has approved the Agreement as to legal form and the Developer has executed the Agreement. This matter is also on the County's Board Agenda for approval this same date.

The Developer is funding all construction and construction inspection costs. Future operation and maintenance costs will accrue to the District.
