Subject: USE FEES FOR THE RIVERSIDE COUNTY REGIONAL PARK &
OPEN-SPACE DISTRICT EFFECTIVE JULY 1, 2006

The District delayed review in early 2006 in order to present a fee structure that coincides with the fiscal budget, with an effective date of July 1, 2006.

A fee comparison study was done with San Bernardino, Orange, and San Diego counties, and California State Parks, and it was determined that the proposed fees are reasonable and consistent. However, some minor modifications are recommend in order to improve services and to address the absence of fees/ restrictions such as overflow vehicle fees, gate key deposits and time restrictions. Also, a new fee structure for Crestmore Manor is recommend to address a group facility that is expected to be complete in spring 2007.

At its meeting on March 9, 2006, the Riverside County District Advisory Commission unanimously voted to recommend that your Honorable Board approve the proposed changes as listed in the Executive Summary for Fees and Charges, and adopt the Park District Resolution 2006-2, Use Fees for the Riverside County Regional Park & Open-Space District, effective July 1, 2006.
