**BACKGROUND** Five students from Vista Heights Middle School in Moreno Valley have won their school site, school district, county and state level History Day competitions and have been invited to represent the State of California at the National History Day Competition to be held at the University of Maryland June 10 – June 15, 2006. The cost of travel for these five students is \$5,000. With less than 3 weeks notice, the students have already raised \$2,800, but the school district is prohibited from helping with the remaining cost. I urge the Board to support sending these local students to the National Competition.
