for Fiscal Year 2006/07**

BACKGROUND (Continued):

The bill provides the Medically Indigent Services Program (MISP) counties with funds from the Hospitals, Physicians, and Unallocated accounts of the Cigarette and Tobacco Products surtax fund created by Proposition 99. Monies from the various accounts have different allowable uses and must be accounted for separately.

By its approval of the application for CHIP funds, the Board agrees to meet program assurances as set forth in the application, including a County Maintenance of Effort requirement at least equal to the Fiscal Year 1988/89 levels. The County further assures that it will submit the necessary reports including the Expenditure Description, the Medically Indigent Care Reports of access, and the Annual Estimated and Actual Financial Reports.

FINANCIAL IMPACT:

The Riverside County CHIP allocation for Fiscal Year 2006/07 is not yet known. Revenues from CHIP allocations have steadily declined over the past years due to an overall decline in tobacco expenditures. Past CHIP contract allocations have been as follows:
