A list of parcels that are subject to fee assessment are provided on the attached Exhibit "A".

The confirmation in a public hearing of the list of parcels upon which the cost of unpaid trash collection fees will become a special assessment is the required final step under the Ordinance to establish assessments and liens on those parcels where trash collection fees have been paid to the franchise waste hauler from the fund account "Payment of Property Owner's Delinquencies for Solid Waste Collection Service", and no payment has yet been received by the County.

Public Hearing on Delinquent 2005 Trash Hauling Charges

Forced Placed and Or County Acting as Collection Agency for Trash Company i.e. Waste Management might be improper government duties. "It should stop".

Waste Management, a private company entered into contractual agreement with my tenant to provide its service to my tenant in my property. I did not warranty the credit worthiness of this tenant to Waste Management. The county should not have the right to be a collection agency for Waste Management. If I may ask, how much is the Waste Management paying the County to be its collection agency.

If the county Ordinance 745 allowed the county to provide these collection activities for Waste Management for free, then we needs to dropped, withdraw, cancelled that ordinance and replaced with a better ordinance.

What is going to happened next, The Telephone Company, Electric Company, Gas Company, Furniture Company even other credit companies that these tenants had obligation with can now come to the County to perform collection activities for them for free, if not that may be discriminatory act on the part of the county.

I understand we need to keep the county cleaned; we can treat cost of waste collection just as we did Sewage. We can include in the property taxes of every one cost of Waste collection. Then the county can negotiate discounted rates with various Waste companies that are willing to do the job at lowest cost based on the contract volume. Waste management need to lobby for this action.

As it is now, its personal contract with a privately owned company and the county should not be part of it.
