RE: Public Hearing Notice

Clerk of the Board  
4080 Lemon St., 1st Floor  
P.O. Box 1147  
Riverside, CA 92502-1147

To Whom It May Concern:

I received a letter regarding the public hearing notice for the proposed zoning changes and construction of new residential condominiums in Sun City and I have some grave concerns. As a property manager for Hermosa Homes, which would neighbor the proposed condominiums, I am very concerned about the amount of traffic that this project will add to the area. At present the area is populated by many senior residents. I am concerned that the proposed project will disrupt this nice quiet neighborhood with overcrowding and excessive traffic. I am also concerned that the proposed project could negatively impact the local environment. I hope that the board considers the concerns all parties involved and does not make their decision lightly.

Sincerely,

Alex DeCarlo
