FROM: Community Health Agency, Department of Animal Services

SUBMITTAL DATE:

SUBJECT: Riverside County's Homeless Animals Awareness Day August 19, 2006

RECOMMENDED MOTION: That the Board of Supervisors:

- 1) Recognize and proclaim August 19, 2006 as: Riverside County's Homeless Animals Awareness Day; and
- 2) Present the proclamation to Robert Miller, Director of Animal Services and Betsey Webster, Division Director for the August 1, 2006 Board of Supervisors Meeting.

BACKGROUND: Cat and Dog overpopulation continues to be a significant problem in Riverside County. This year, we anticipate over 30,000 animals will enter our Riverside County shelters. The Department of Animal Services wants to encourage people to spay and neuter their pets to prevent overpopulation and to license and micro-chip their pets so they can be returned if lost. We want to remind residents that when they are ready to bring a pet into their lives to consider pet adoption at one of our shelters before going to the pet store or a breeder. Our shelters are full of wonderful, loving pets of every size and description.
