BACKGROUND: (Continued).

In coordination with Chief of Medical Services, the Chief of Clinic Management, and Director of Public Health Nursing, this agreement provides for the assignment of students enrolled in the College's nursing and physician assistant programs to County Health Clinics. The students provide the County with valuable assistance at no cost. In addition, the students gain much needed on-the-job training and experience. The assigned students provide an excellent source of recruitment.

Riverside County has been contracting with RCC for student affiliation since 2001 with annual renewals. RCC desires to establish a contract with the County of Riverside Community Health Agency for five years in order to evade the intense procedures involved in renewing the agreement annually.

This Agreement has been approved as to form by County Counsel.
