RE: Resurfacing of Various Roads, East Pedley Area area

August 7, 2006

Page 2 of 2

The bid documents included an alternate bid schedule for the relocation of conflicting utilities that are owned by the Rubidoux Community Services District. Bids for the project were opened in the office of the Director of Transportation at 2:00 pm, Wednesday, May 17, 2006. Six bids were received. The lowest and best bid was submitted by All American Asphalt in the amount of \$645,700.00 for all schedules of work. The bid is \$15,940.00 (2.53%) more than the Engineer's Estimate and within the target bid range.

The FY 05/06 TIP programmed Proposition 42 funding for this project in FY 08/09 however, due to available Measure A funding from another TIP project, construction can proceed at this time using Measure A funds.

The Rubidoux Community Services District has provided their concurrence to award their items of work, for which they will be financially responsible on a deposit basis. Construction of the utility adjustments by the County's contractor will improve construction coordination and potentially reduce the inconvenience to the public.
