SUBJECT: Addendum #2 to the Memorandum of Understanding
with Imperial Irrigation District for the 2006 Emergency
Energy Assistance Program

PAGE: 2

BACKGROUND:

IID, a local utility company, provides the EEAP program which pays delinquent energy bill accounts of eligible IID customers. DPSS-CAP Riverside administers this program by determining the eligibility of low-income Coachella Valley IID customers per the IID criteria.

IID will allocate an allotment of \$10,000 to fund the EEAP. These funds would remain with IID to be applied to eligible delinquent IID utility accounts and would not be deposited with the Riverside County Auditor Controller's Office. Additionally, IID would compensate DPSS-CAP Riverside up to 8% of the funds pledged (\$800) for administrative services.

On June 3, 2003 (Agenda #3.23), the Board accepted the initial agreement for the 2003 allocation. On March 9, 2004 (Agenda #3.29), the Board accepted the agreement for the 2004 allocation. And, on April 5, 2005 (Agenda #3.24), the Board accepted the Addendum #1 of the agreement for the 2005 Program Year funding to continue these activities. This is Addendum #2, dated February 9, 2006, which will extend the contract term through December 31, 2006.

Therefore, the Director of DPSS-CAP Riverside respectfully requests that the Board approve and authorize the Chairman of the Board to sign the attached Addendum #2 extending the end of the term of the MOU from December 31, 2005 to December 31, 2006 and establishing the 2006 Program Year.

FINANCIAL IMPACT: No County General Funds will be required. Sufficient appropriations have been allocated through the County budget process. No budget adjustment is needed.
