

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

423

FROM: Community Health Agency/Environmental Health

SUBMITTAL DATE:
September 12, 2006

SUBJECT: Participating Agency Agreement with the City of Corona

RECOMMENDED MOTION:

- 1) Approve the attached Agreement with the City of Corona enabling the City to function as a Participating Agency within the County Certified Unified Program Agency; and
- 2) Authorize the Chairman to execute said Agreement with the City of Corona.

Departmental Concurrence

BACKGROUND: The Community Health Agency, Department of Environmental Health, applied to the State of California, Environmental Protection Agency for certification as a Certified Unified Program Agency (CUPA) or lead agency for the County in December of 1995. In January of 1997 the Department of Environmental Health, Hazardous Materials Management Division was designated as the CUPA for the County of Riverside.

The State's goal in creating the Unified Program was to make hazardous materials and hazardous waste management programs with cities and counties more coordinated, consolidated and consistent.

The County as the CUPA is responsible for coordinating and implementing hazardous material/waste management programs countywide in order to accomplish this goal. The County, as the lead agency, carries out all required program elements throughout the County with the exception of the cities of Banning, Corona and Riverside. These cities carry out various program elements within their jurisdiction through our existing Participating Agency (PA) Agreements.

The City of Corona has been an active PA since January 1, 1997 and has worked cooperatively with us to ensure that the State's Unified Program elements are coordinated and uniformly carried out. This three year agreement is a renewal of the existing contract authorized and required by the California Health and Safety Code, Section 25404.1 (b) (1).

Under terms of this agreement the County, acting as the CUPA, agrees to administer the Underground Storage Tank and Hazardous Waste Generator Programs within the City of Corona. The City of Corona, acting as the PA, agrees to administer the Hazardous Materials Release Response Plans and Inventory Program; Hazardous Materials Management Plans; the Above Storage Tank Spill Prevention Control and Countermeasure Program; and the California Accidental Release Prevention Program.

This Agreement has been approved as to form by County Counsel.
