

The Honorable Board of Supervisors

RE: Storm Damage Repairs, Reconstruction of Segments of Various Roads in the Quail Valley area

September 1, 2006

Page 2 of 3

alternate construction methods will enable the most informed decision to be made on the basis of benefit and cost. The financial data provided in this submittal is for the in-kind re-construction.

The Transportation Department is currently seeking reimbursement from FEMA for a portion of the project costs. However, uncertainties remain at this time regarding the time-frame and availability of FEMA reimbursements. By Minute Order dated May 9, 2006 (agenda item no. 3.26), the Board approved the Transportation Department's report and recommendations regarding the funding for various storm damaged roads, including those in the Quail Valley area. After receipt of bids, the Department will prepare and submit a budget analysis and recommendations for the project.

The project provides for the reconstruction of portions of the following roads in the Quail Valley area, as shown on the attached vicinity map:

Avenida Gaviota

Avenida Roble

Paseo Juanita

Paseo La Plaza

Paseo Diablo

Paseo Arroyo

Avenida De Las Flores

Paseo Nuna

Avenida Estrella

The submitted plans and specifications have been approved as to form by County Counsel. Environmental clearance is complete.

Project No. 4505140103.
