BACKGROUND:

Due to lack of funding, a variety of performing arts, sports, ROTC and other extracurricular programs have been dropped from many of the area high schools. Moreno Valley Unified School District has continued to fund as many programs as possible, however, many of the programs need uniforms, band equipment, art supplies, software programs and a variety of other supplies and equipment. The 5th District is utilizing Community Improvement Designation funds to provide \$10,000 to each high school to assist with funding in the area of performing arts and sports programs where the need is the greatest.
