**FROM:** Waste Management Department

**SUBMITTAL DATE:**  
September 1, 2006

**SUBJECT:** The Construction of Multi-Level Landfill Gas Detection Probes at Edom Hill Sanitary Landfill - Notice of Completion

**RECOMMENDED MOTION:** That the Board:

1. Accept the construction of Multi-Level Landfill Gas Detection Probes at Edom Hill Sanitary Landfill by Layne Christensen Company, and authorize the Chairman to execute a Notice of Completion.
2. Direct the County Clerk to file the executed Notice of Completion.

**BACKGROUND:** On June 27, 2006, the Board awarded Layne Christensen Company the contract to construct the Multi-level Landfill Gas Detection Probes at the Edom Hill Landfill. On August 16, 2006, construction was satisfactorily completed on time and within budget. The original contract amount was \$129,295.00. The Final cost of the project is \$120,659.00. It should be noted that one probe was not able to be installed by the contractor, thus the lower final cost. The Department will attempt to install the probe in the future. The Department has accepted the work and recommends filing a Notice of Completion.
