SUBJECT: Fourth District use of Community Improvement Designation Funds

BACKGROUND:

The Palo District Music Association is a worthwhile non-profit high school program. The benefits of band, flags and choir include: promotion of teamwork, increase self-esteem through public performances and classes that demand accountability. Students develop study habits, and learn discipline.

The program is designed to provide continuous opportunities for student achievement and success regardless of ethnicity or socio-economic background. The Palo Verde Valley is a community that is located in the remote eastern area of the Fourth District. The cost of traveling to competitions makes it difficult to participate in more events.

The goal is to raise the funds needed for competitions by seeking donations and sponsorships from the community.

We would like to use Fourth District Community Improvement funds to assist this organization in reaching their goal
