**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

512

FROM: Department of Facilities Management

SUBMITTAL DATE:
October 20, 2006

SUBJECT: Re-Route Downtown Voice and Data Infrastructure - Notice of Completion

RECOMMENDED MOTION: That the Board of Supervisors:

1. Accept the Re-Route Downtown Voice and Data Infrastructure, constructed by Corona Constructors, as complete and authorize the Clerk of the Board to file the Notice of Completion; and
2. Authorize the release of \$51,813 in retained funds to the contractor in accordance with the contract terms.

BACKGROUND: On March 7, 2006, the Board of Supervisors approved a contract with Corona Constructors for the Re-Route Downtown Voice and Data Infrastructure project. The original contract amount with Corona Constructors was \$476,000. During the course of construction, one change order was necessary in the amount of \$42,130, for a total contract amount of \$518,130. The change order was issued to the contractor for additional work due to unforeseen conditions encountered during street excavations. Unstable soil conditions required additional trenching and rerouting of existing underground utilities. This Board action will release the balance of the contract retention funds of \$51,813 to Corona Constructors.
