- (3) The owners be ordered to ascertain the existence or non-existence of asbestos containing materials in said structure by survey and materials sample testing through the Industrial Hygiene Specialist of the County Health Department, Division of Special Services; and, prior to the abatement ordered in paragraph number two (2) above, to secure the removal and disposal of all asbestos containing materials discovered through such survey and testing by contract with a duly certified and licensed contractor for the handling of such materials to avoid citations and/or fines imposed by the South Coast Air Quality Management District (SCAQMD) pursuant to SCAQMD Rule No. 1403.
- (4) If the owners or whoever has possession or control of the real property does not take the above described action within ninety (90) days of the date of the Board's Order to Abate, that representatives of the Code Enforcement Department, Sheriff's Department, and/or a contractor, upon consent of the owner or receipt of a Court Order authorizing entry onto the real property when necessary under applicable law, shall abate the substandard structure and contents therein, by removing the same from the real property.
- (5) The reasonable costs of abatement, after notice and an opportunity for hearing, shall be imposed as a lien on the real property, which may be collected as a special assessment against the real property pursuant to Government Code Section 25845 and Ordinance No. 725.
- (6) County Counsel be directed to prepare the necessary Findings of Facts and Conclusions that the substandard structure on the real property is declared to be in violation of Riverside County Ordinance No. 457 and a public nuisance, and further, to prepare an Order to Abate for approval by the Board.

JUSTIFICATION:

1. An inspection was made of the subject property by the Code Enforcement Officers on March 6, 2003. The inspection revealed a substandard structure (room addition/two-story dwelling) on the subject property in violation of Riverside County Ordinance No. 457 (RCC Title 15). The substandard condition of the structure included, but was not limited to, the following: hazardous wiring – exposed energized wiring; members of ceilings, roofs, ceiling and roof supports or other horizontal members which sag, split or buckle due to defective material or deterioration – no ceiling; dampness of habitable rooms – open wall/lack of windows; faulty weather protection – lack of siding; general dilapidation or improper maintenance; public and attractive nuisance – vacant; and second unit two-story dwelling without permits.
2. Follow-up inspections on November 8, 2005, November 15, 2005, November 17, 2005, March 16, 2006, September 8, 2006, and October 16, 2006 revealed that the property continues to be in violation of Riverside County Ordinance No. 457.
3. Staff and the Code Enforcement Department have complied with the notice requirements set forth in the appropriate laws of this jurisdiction pertaining to the Administrative Abatement Proceedings for substandard structure.
