

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

34A

FROM: TLMA – Transportation Dept.

SUBMITTAL DATE:

June 12, 2006

SUBJECT: Notice of Completion – Emergency Protection of the River Road Bridge over the Santa Ana River, Norco area

RECOMMENDED MOTION: That the Board execute and file the attached "Notice of Completion"

BACKGROUND: By Minute Order 3.28 of November 30, 2004, the Board entered into an agreement with KEC Engineering to provide emergency protection work for the River Road Bridge over the Santa Ana River in the Norco area of Riverside County. The authorized amount of the original contract was \$300,000.00. By Minute Order 3.19 of February 8, 2005, the Board increased the amount of the original contract by an additional \$300,000.00. This increase was necessary due to the multiple storms in succession that resulted in the second heaviest rainfall totals in history. The increase in the original contract cost covered the bridge protection, repair and debris removal for several storms. The actual total contract amount that was expended for this emergency work is \$435,058.40, which is 27.5% less than the authorized contract amount. This work was completed in conformance with the plans and specifications on May 11, 2005.

The replacement bridge crossing is scheduled to begin construction in late Spring of 2007 and is expected to be completed by late Fall of 2008. In the interim, KEC has entered into an agreement (Minute Order 3.40 of December 20, 2005) with the County to continue to provide continuous sand and debris removal as a protective measure until the bridge replacement construction begins. Work Order 05-00023.
