SUBJECT: First Amendment to the Agreement Between Riverside County Department of Mental Health and Superior Court of California, County of Riverside, For Services in Accordance with Substance Abuse and Crime Prevention Act of 2000 (SACPA) – FY 05/06.

BACKGROUND: (continued)

The significant difference arising from this transition is that the Superior Court no longer utilizes the County's OASIS system for financial transactions. The Superior Court is unable to receive or transmit billings by electronic journal entry. All billings between the Courts and the County must be done through an invoice-based system.

This First Amendment decrees that the agreement shall no longer be called, titled or referenced to as a Memorandum of Understanding (MOU) and that all references to such shall be deleted from the agreement and replaced with, "COOPERATIVE AGREEMENT". The First Amendment also updated the reimbursement requirements with the current process.

FINANCIAL IMPACT:

There are sufficient funds in the Department's budget for FY 05/06. No additional County funds are required.

JUSTIFICATION FOR DELAY:

Negotiations between Riverside County Department of Mental Health and the Superior Court of California have recently been completed and on December 18, 2006, the Court Executive Officer signed the First Amendment.
