

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

261

FROM: Riverside County Regional Medical Center

SUBMITTAL DATE:
February 27, 2007

SUBJECT: Approval of Vehicle Additions for Fleet Services, to be leased by Riverside County Regional Medical Center

RECOMMENDED MOTION: Move that the Board of Supervisors:

Approve the purchase of a 2006, 16 ft refrigerated truck with a lift gate.

BACKGROUND: Since 1999 when the Department of Psychiatry, Inpatient Treatment Facility, came back under the administration of Riverside County Regional Medical Center (RCRMC), there has been a Memorandum of Understanding in place with the Probation Department to supply patient meals. It is the intent of RCRMC to begin supplying all patients meals via its Food & Nutrition Services Department in order to better regulate meal requirements and comply with regulatory standards. The purchase of this truck is necessary for the transportation of the meals between the Moreno Valley Campus and the Arlington Campus. Fleet Services shall purchase the vehicle and the hospital will then lease the vehicle from Fleet Services.
