BACKGROUND:

The Holocaust Education Center in the Desert, Inc. is a non-profit 501 (c) (3) established for the purpose of creating a learning place for children and adults. The organization believes that it is important to educate the public about how hatred and bigotry led to the holocaust.

The Center will have a collection on books, videos, and showcase documentaries of the holocaust and other movies where hatred and bigotry took place and where it still exists.

The center will be free to the participants and funded through charitable donations. It will be located in the City of Rancho Mirage.

The Fourth District recognizes the need to educate people about what hatred can produce and to teach tolerance to our society instead. We would like to use Community Improvement Funds to support this effort.
