**BACKGROUND:**

In order to complete the terms of the OPDDA with the Developer, it is necessary for Agency to acquire real property owned by the Riverside County Flood Control and Water Conservation District ("District") and convey said property to Developer. The Cooperative Agreement and Agreement for the Purchase and Sale detail the provisions for the purchase of these properties from the District. It also establishes the terms and conditions by which the Developer will construct the Emerald Meadows Channel and related drainage facilities which will replace the property being purchased from the District by Agency.

Agency will purchase APNs 178-290-005 and 178-310-024 which total approximately 1.64 acres in fee simple ownership and a flooding easement within APNs 178-290-009, 179-310-001, 179-310-004, 179-310-005, 179-310-023, 179-310-025, 179-310-026, 179-310-028, 179-340-001, 179-340-002 and 179-340-005 for a total purchase price of \$385,000. The value of these parcels is based on an independent fee appraisal report completed by Len Perdue and Associates, Real Estate Appraisers. Agency will then sell the subject parcels to the Developer for the full amount paid by the Agency in accordance with the OPDDA.

County Counsel has approved the Agreements as to legal form. Both the Cooperative Agreement and Agreement for the Purchase and Sale appear on the District's Agenda, this same date.
