The Honorable Board of Supervisors

RE: Landscaping and Lighting Maintenance District No. 89-1-Consolidated, Annexation of Street Lighting Zone 63.

March 26, 2007

Page 2 of 2

BACKGROUND: Adoption of Resolution No. 2007-120 appoints the Director of the Transportation Department as the Engineer to prepare a Report regarding the proposed annexation of Street Lighting Zone 63 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated ("L&LMD No. 89-1-C").

Resolution No. 2007-121 declares the Board's intention of ordering the annexation of Street Lighting Zone 63 to L&LMD No. 89-1-C. Annexation of Street Lighting Zone 63 to L&LMD No. 89-1-C will fund providing electricity for streetlights within public right-of-way located southerly of Aurora Rd, northerly of 18th Ave, and easterly of Long Canyon Rd in the Desert Hot Springs area and includes 1 commercial parcel totaling 36.97 acres.

The proposed budget for fiscal year 2007/08 for Street Lighting Zone 63 is \$2,970.00 that will result in an assessment for fiscal year 2007/08 within Street Lighting Zone 63 of \$80.34 per acre. The annual assessment will be adjusted annually by the greater of 2% or the cumulative percentage increase in the CPI-U for "electricity", if any, as it stands as of March of each year over the base index for March of 2007.

Consistent with the Board's direction regarding compliance with Article XIID of the California Constitution and the Landscaping and Lighting Act of 1972, the attached resolutions have been prepared and a public hearing scheduled for 9:30 a.m. on June 5, 2007 to receive testimony for and against the proposed assessment. Each property owner within the proposed Street Lighting Zone 63 will receive a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2007-121, and an information sheet.

Ballots must be returned prior to the conclusion of the public hearing. If, at the time designated for the tabulation of the ballots, the ballots submitted in favor of the annexation and levy of the assessment exceed the ballots submitted in opposition of said annexation and levy, Street Lighting Zone 63 will be annexed to L&LMD No. 89-1-C.

There is only one individual/entity which owns all of the property within the proposed boundaries of Street Lighting Zone 63 and said property owner has executed a "Waiver and Consent Regarding Date of Assessment Ballot Election" allowing for the election and public hearing to be held on June 5, 2007.
