SUBJECT: Agreement # SD2215-00 with the Foundation for California State University, San Bernardino

BACKGROUND:

On November 21, 2006, (Agenda #3.16), your Honorable Board approved the agreement between the Department of Public Social Services (DPSS) and the Foundation for California State University, San Bernardino to provide induction training to Children Services Social Services Workers.

The Foundation for California State University, San Bernardino has been under contract with the State of California since 1998 to provide initial and advanced training to the staff of the five southern California Public Child Welfare Services agencies.

The original agreement with the Foundation is for two training series of fifteen (15) classes. Each series can accommodate up to thirty one (31) Social Services Workers. To accommodate hiring by DPSS, additional training is necessary. This amendment increases the training series available to five.

DPSS negotiated the agreement with the Foundation without competition in accordance with California Department of Social Services (CDSS) manual section 23-650, paragraph 1.14, which states that contracts may be negotiated without formal advertising "for any service to be rendered by any federal, state or local governmental agency, public university, public college or other public educational institution."
