BACKGROUND Salas Field, located at Sunnymead Park in Moreno Valley, is an excellent facility which has recently seen many improvements to the size of the field, fencing and lighting. Additional field improvements are needed. Expansion of the field along with other improvements will allow for increased usage by a wider range of age groups and makes it a desirable location for tournaments and playoffs on a regional and possible national level. I urge the Board of Supervisors to approve the use of Community Improvement Designation funds for this purpose.
