BACKGROUND: Participating in an American Cancer Society Relay For Life[®] event, honors cancer survivors, pays tribute to the lives lost to the disease, and raises money to help fight it in their individual communities. A cancer survivor's recovery involves much more than medical treatments - it takes hope. By participating in the American Cancer Society Relay For Life[®], those touched by cancer are empowered to fight back against this disease. I urge the Board of Supervisors to support the use of Community Improvement Designation funds for these individual Relay for Life programs in the 5th district.
